**BATH OF THE MONTH**

*San Francisco, California*

A long, hot, sensuous soak never looked so inviting, don't you agree?

Design by KEN FULK

2.

In the master bathroom of a San Francisco house with a Moorish mood, designer Ken Fulk steered straight for exotic glamour. Victoria + Albert's Marlborough slipper tub frames the blockbuster view of the Marin Headlands. The shimmering wall tiles are Walker Zanger Contessa Arabesco. OPPOSITE The vanity, patterned with ogee arches and topped with Calacatta marble, was designed by Fulk. Layered towels "play nice with the gold wall tile." Sources by Visual Comfort
